# WELCOME TO THE 15<sup>TH</sup> CYPRUS SALSA CONGRESS

*Too good to be true?!*

## YOU MADE IT TO OUR 15 YEARS!

After a three-year gap, we have gone full-speed and put everything together with all our energy, enthusiasm and passion to welcome you back at our 15th anniversary with a bang!!

We all went through some challenging times, but we chose to focus our minds on the positives and remained optimistic for this moment... where this family is being reunited!

This is your guide for the event. ALL information you want to know is included in this booklet. Take a few moments to go through it. However, if something is not clear you can always visit our congress help desk at the registration area, while our volunteers outside the workshop rooms will be more than happy to assist you.

Towards the end of the event, do give us your feedback by completing our questionnaire, either ONLINE:  or using the paper form found at the help desk.

Your support and love for salsa is hugely appreciated! Many thanks to our sponsors and supporters and of course the Grecian Park Hotel for their unparalleled hospitality!

Leave any other thoughts behind, order your cocktail, feel the energy and let the music guide you!

**Do not miss a moment!**

# Your Guide to the 15<sup>th</sup> Salsa Congress 2022 !!

CYPRUS  
SALSA  
CONGRESS  
2022

15 years

## Workshops

The schedule is included in your pack. Try to make your choice of classes in time and according to your level so that you can follow the instructors without great difficulty and enjoy it as well. Please note that classes will start and finish on time.

## Couples

Some of you may be with your couple. It is up to you to change partners if you wish so. It is expected however, that partners will rotate and you will be dancing with more than one partner during the classes. This is actually a custom in Salsa congresses and fiestas and gives you more experience in both leading and following techniques. In addition to the classes for couples, there are also men's & ladies' classes which are strongly recommended as they are a vital part of Salsa dancing & will greatly enrich your technique & style.

## Wristbands / passes

Upon registration you will be given your pass. This is a wrist band which needs to be placed and remain on your wrist throughout the congress. The colour represents the package you booked for and gives you access to the activities within your package. Should you lose your wrist band a new congress pass will need to be purchased. If it is damaged, please contact the congress organisers. Those with accommodation only, DO NOT require a wristband.

## Breakfast & Dinner

Breakfast is served from 7:30am until 11:00am at café Charisma. **Those of you staying at the Grecian Park will receive a special wristband allowing you entry to the breakfast area.** The dinner will start at 7:00pm and finish at 9:00pm. This will be served both in the Antaeus restaurant and the café Charisma. There will be two seatings for all three nights and there is no seating arrangement, except from some tables reserved for the instructors/guests. Please fill in all empty chairs at the tables so that all people can be accommodated. All local drinks are included.

## Extras

Please note that all extras such as mini bar, room service, spa, extra meals, drinks etc will need to be paid by you at reception during check-out

## Parties \*2 extra parties\*

The main Salsa-Bachata party will take place at Plin 2 club. You can access this area by stairs located before the spa/gym area. A Bachata-kizomba party will also run every night at Antaeus Restaurant. All parties are free for full & party pass holders. The parties start approximately at midnight, immediately after the shows.

## Shows

The highlight of the Congress is the number of selected professional shows to be performed. There will be shows every night in Antaeus Restaurant (starting 10:00pm on Friday, Saturday & Sunday). Additionally, there will be one afternoon performance on Sunday starting at 2:15pm at Antaeus Restaurant. Please make your way there at 2:00pm as these will start and finish on time. The entrance for the afternoon shows is already included in your pass while no pass holders are also welcome to watch the afternoon shows for free.

## Welcome Party AND Chill-out farewell party

Join our welcoming party by the pool (weather permitting) on Friday 25th, between 12:00 and 16:00. On Monday 28th March, a chill-out farewell party will take place outdoors (weather permitting), at the pool bar veranda and the terrace around the pool. This will start after breakfast until afternoon. The hotel will make arrangements for various snacks to be offered at special prices!

## Items for Sale

**T-Shirts:** A limited number of congress t-shirts will be available for sale in the hotel lobby area.

**Car Shades:** The perfect salsa souvenir to protect your car from the sun.

## Questionnaire ?

We need your valuable comments and suggestions regarding your experience at the congress. A questionnaire has been prepared and can be found at the registration/help desk. It will only take a couple of minutes to complete and hand in at the help desk, at the end of the congress; this helps us improve and enrich any future events to be organised. Alternatively, you may find this on the congress site [www.salsacyprus.com](http://www.salsacyprus.com) for you to complete and submit online.

## Venue

We would very much like to thank the five star venue, Grecian park hotel, for kindly accepting to host this event and offering any possible space for our use. # Congress Timetable 2022

# Workshop Schedule 2022

**Beginner:** You have no experience or are not yet confident with basic steps, leading or following.

**Improver:** You should be confident with the basic steps and can now lead basic turn patterns as a man or follow simple turn patterns and turn comfortably as a woman.

**Intermedialite:** Men/You have a good repertoire of turn patterns with the capacity to move easily from one pattern to the next. You will also be able to execute hand changes & directional changes with better balance and more styling whilst keeping in time to the music. Women/You should be able to follow conventional turn patterns comfortably and have the ability to demonstrate some interpretive footwork and body styling. You should also be tackling double spins with increasing confidence with a view to perfecting your technique.

**Advance:** Men/You have the capacity to remember & skillfully lead a series of complex moves with continuity & styling. You understand the Afro-Cuban origins of the music and can tune in easily to the underlying clave or percussive beat and their respective timings. Women/ Multiple turns, spins and intricate following are no problem for you. You move like a Salsa Dancer. Intricate footwork is challenging, but fun for you. It will not frustrate you or give you a brain meltdown. You are also a seasoned dancer who understands the value of simplicity.

# Grecian Park Hotel Floor Plan

CYPRUS  
SALSA  
CONGRESS  
2022

15 years

## How it all started...

It was on a cool Monday evening in London that the SalsaCyprus gang was unwinding in Covent Garden and Leicester Square. Another UK Salsa Congress had just finished and having successfully attended this - with a wonderful performance by the Shakallis brothers representing Cyprus - this group of friends returned to London with the best of memories.

While sitting at a cozy café enjoying a hot cup of coffee, all felt the need to communicate these great experiences to all the salseros in Cyprus. And there came the idea... Let's bring the Salsa Congress Experience in Cyprus!!!

The excitement, passion and energy of all members turned this idea into a reality, and what a successful one!

The SalsaCyprus team promises to bring this event back every year, improved, refreshed and always a great value for money!

## Our Culture...

Since our very first event in 2006, we have created a culture, an atmosphere and an environment that cannot be found in any other event.. It is one big family, growing every year with new members and the Cyprus Salsa Congress is now an International meeting place where old friendships are reunited and new ones are created...for life!!!

It has been our tradition from the very first year to recognize one lady and one gentleman as the Salsera and Salsero of the Year. The basis for awarding these people is their remarkable zest and love for Salsa, their immense enthusiasm, true passion and gusto!
