YOUR GUIDE TO THE 17TH CYPRUS SALSA CONGRESS 2024

WORKSHOPS

The schedule is included in your pack. Try to make your choice of classes in time and according to your level so that you can follow the instructors without great difficulty and enjoy it as well. Please note that classes will start and finish on time.

COUPLES

Some of you may be with your couple. It is up to you to change partners if you wish so. It is expected however, that partners will rotate and you will be dancing with more than one partner during the classes. This is actually a custom in Salsa congresses and fiestas and gives you more experience in both leading and following techniques. In addition to the classes for couples, there are also men's & ladies' classes which are strongly recommended as they are a vital part of Salsa dancing & will greatly enrich your technique & style.

WRISTBANDS/PASSES

Upon registration you will be given your pass. This is a wrist band which needs to be placed and remain on your wrist throughout the congress. The colour represents the package you booked for and gives you access to the activities within your package. Should you lose your wrist band a new congress pass will need to be purchased. If it is damaged, please contact the congress organisers. Those with accommodation only, DO NOT require a wristband.

BREAKFAST & DINNER

Breakfast is served from 7:30am until 11:00am at café Charisma. Those of you staying at the Grecian Park will receive a special wristband allowing you entry to the breakfast area. The dinner will start at 7:00pm and finish at 9:00pm. This will be served both in the Antaeus restaurant and the café Charisma. There will be two seatings for all three nights and there is no seating arrangement, except from some tables reserved for the instructors/guests. Please fill in all empty chairs at the tables so that all people can be accommodated. All local drinks are included.

EXTRAS

Please note that all extras such as mini bar, room service, spa, extra meals, drinks etc will need to be paid by you at reception during check-out.

PARTIES *2 EXTRA PARTIES*

The main Salsa-Bachata party will take place at Plin 2 club. You can access this area by stairs located before the spa/gym area. A Bachata-kizomba party will also run every night at Antaeus Restaurant. All parties are free for full & party pass holders. The parties start approximately at midnight, immediately after the shows.

SHOWS

The highlight of the Congress is the number of selected professional shows to be performed. There will be shows every night in Antaeus Restaurant (starting 10:00pm on Friday, Saturday & Sunday). Additionally, on Sunday there will be afternoon shows, at 2:00pm, taking place at Antaeus Restaurant. Please make your way there 15 minutes earlier accordingly, as these will start and finish on time. The entrance for the afternoon shows is already included in your pass while no pass holders are also welcome to watch the afternoon shows for free.

Improver: You should be confident with the basic steps and can now lead basic turn patterns as a man or follow simple turn patterns and turn comfortably as a woman.

Intermediate: Men/You have a good repertoire of turn patterns with the capacity to move easily from one pattern to the next. You will also be able to execute hand changes & directional changes with better balance and more styling whilst keeping in time to the music. Women/You should be able to follow complex turn patterns comfortably and have the ability to demonstrate some interpretive footwear and body styling. You should also be tackling double spins with increasing confidence with a view to perfecting your technique.

Advanced: Men/You have the capacity to remember & skilfully lead a series of complex moves with continuity & styling. You understand the Afro-Cuban origins of the music and can lunge in easily to the underlying clave or percussive beat and their respective timings. Women/Multiple turns, spins and intricate following are no problem for you. You move like a Salsa Diva! Intricate footwear is challenging, but fun for you. It will not frustrate you or give you a brain meltdown. You are also a seasoned dancer who understands the value of simplicity.

SALSEROS HALL OF FAME

HOW IT ALL STARTED

It was on a cool Monday evening in London that the SalsaCyprus gang was unwinding in Covent Garden and Leicester Square. Another UK Salsa Congress had just finished and having successfully attended this - with a wonderful performance by the Shakallis brothers representing Cyprus - this group of friends returned to London with the best of memories. While sitting at a cozy café enjoying a hot cup of coffee, all felt the need to communicate these great experiences to all the salseros in Cyprus. And there came the idea... Let's bring the Salsa Congress Experience in Cyprus!!! The excitement, passion and energy of all members turned this idea into a reality, and what a successful one! The SalsaCyprus team promises to bring this event back every year, improved, refreshed and always a great value for money!

OUR CULTURE

Since our very first event in 2006, we have created a culture, an atmosphere and an environment that cannot be found in any other event. It is one big family, growing every year with new members and the Cyprus Salsa Congress is now an International meeting place where old friendships are reunited and new ones are created... for life!!! It has been our tradition from the very first year to recognize one lady and one gentleman as the Salsera and Salsero of the Year.
